# Our Co-op Academies Trust

Dear Applicant,

Thank you for showing interest in our academy and our Trust.

The Co-op Academies Trust is a multi-academy trust operating across three hubs: Greater Manchester; West Yorkshire; and Staffordshire and Merseyside. We currently have 37 schools across the regions including secondary, primary and special schools plus a sixth form college. This makes us one of the most diverse multi-academy trusts in England.

The Co-op Academies Trust is governed by a very experienced Trust board consisting of senior members within education and business; about half the members work in senior leadership positions within all areas of the Co-op. Our Trust has a commitment to deliver a three-year strategic plan, developed in 2022, which gives a strong direction of outcomes needed in all areas, community impact and a moral code of practice for all members of Co-op Academies Trust to adhere to.

All our academy governing councils have a Chair of Governors from the Co-op as well as two to four Sponsor Governors. Each hub is led by a Regional Director - a proven leader of schools and an outstanding practitioner with a track record of improvement in education.

Within our leadership team, we have a National Leaders of Education (NLE) and a former NLE. We have a well-developed school improvement offer, including access to 18 different specialist directors. We have the full support of the Co-op who offer a range of services to all our academies, including enrichment opportunities, seconded staff, resources and expertise in the areas of education that overlap with commerce.

Most of our academies have a history of being in very difficult circumstances with many of them serving deprived communities. As well as bespoke individual plans to support academies, we offer school improvement strategies across the Trust that includes school-to-school support, links to external sources of expertise and internal directors. We want the very best for our academies and the diverse communities we serve, with the highest of ambition and aspiration for all students.

Throughout all of our academies you will clearly see our strong core vision and values called the Ways of Being, giving the Trust an ethical code that every stakeholder buys into and engages with.

Good luck with your application and thank you for considering Co-op Academies Trust as the next stage in your career.

Best wishes,

Dr Chris Tomlinson | Chief Executive Officer
