

Co-op Academy
Swinton

At Co-op Academy Swinton, we pride ourselves on delivering an exceptional educational experience for our students and fostering a supportive, collaborative environment for our staff.

As part of Co-op Academies Trust, we are committed to the shared vision of providing high-quality education and making a positive impact on our local community.

Our academy offers a welcoming, supportive, and inclusive environment where students and staff are inspired to achieve their best. You will be working with passionate colleagues who are dedicated to challenging and supporting students in equal measure. Together, you will guide them through their educational journey, ensuring they are well-prepared for the world beyond.

Curriculum

Our students excel in their GCSE results, thanks to a comprehensive and engaging curriculum that is designed to challenge and support all learners. We provide a broad and balanced education, ensuring every student finds their strengths and interests.

Our highly skilled and dedicated teaching staff are masters in their fields. They are passionate about delivering high-quality lessons and building strong relationships with students.

We are committed to creating a safe and welcoming learning environment where students can thrive. Our experienced pastoral care team ensures that students feel emotionally and socially supported throughout their time at the academy.

Values

We believe that education extends beyond the classroom. Our values are rooted in the Co-op's 'Ways of Being' "Do What Matters Most," "Succeed Together," "Be Yourself Always," and "Show You Care." These values underpin everything we do.

Visitors to the academy consistently comment on the positive, respectful attitudes of our students, a reflection of the nurturing culture we foster. We maintain high expectations of behaviour and academic performance, while ensuring that every student feels valued and supported.

Facilities and Opportunities

We offer state-of-the-art facilities to support student learning and extracurricular activities. Our modern classrooms, science labs, technology suites, and sports facilities are designed to create the best possible environment for both academic and personal development.

We also provide a range of extracurricular opportunities, from sports clubs to music, drama, and enrichment activities. These experiences allow students to discover new talents, build teamwork skills, and contribute to the wider school community.

.....

At Co-op Academy Swinton, you will have the opportunity to make a real difference in the lives of young people by working here, helping them to discover and achieve their full potential. We invite you to be part of this journey, to inspire, support, and succeed alongside our students.
