

Co-op Academy
Leeds

At Co-op Academy Leeds, we are dedicated to providing an ambitious and inspiring education that empowers our students to achieve exceptional outcomes.

Our inclusive environment is built on mutual respect, trust, and a shared commitment to excellence. If you're passionate about making a difference in the lives of young people, Co-op Academy Leeds is the perfect place to grow your career.

Curriculum

We offer a broad, balanced, and challenging curriculum that supports our students' academic growth and personal development. At the core of our teaching is a focus on high expectations and personalised support, ensuring that every student thrives, regardless of their background.

Our curriculum goes beyond academics, encouraging students to develop as compassionate and responsible citizens. We foster independence, resilience, and critical thinking, preparing students to succeed both in school and in life. Key initiatives such as 'Quality Time', where students engage in focused, independent work in every lesson, and 'Quality Reading', which enhances literacy across all subjects, ensure students can make rapid progress.

With over 70 languages spoken in our academy, our Multi-Lingual Support programme plays a crucial role in helping students from diverse backgrounds excel. We are also proud of our robust SEND provision, offering targeted support to students who need it, ensuring every individual has the tools to succeed.

Values

Our academy is grounded in Co-op's values - self-help, equity, and social responsibility - promoting a caring, inclusive environment where respect and cooperation are key. Students and staff are encouraged to embody our Ways of Being in their everyday actions. These include; "Do What Matters Most," "Succeed Together," "Be Yourself Always," and "Show You Care."

Our values can be felt in every aspect of school life. These not only guide our teaching but also shape the respectful, calm, and productive environment in which both staff and students thrive.

Facilities and Learning Environment

Co-op Academy Leeds boasts modern facilities designed to support a wide range of learning opportunities, both inside and outside the classroom. Our classrooms are equipped with the latest technology, enabling innovative and engaging teaching methods. Additionally, our sports facilities, performing arts spaces, and extracurricular offerings ensure that students have the opportunity to explore their interests and talents beyond the core curriculum.

.....

You will be part of a supportive, forward-thinking school that values your professional development and wellbeing. We have high expectations of our staff and provide continuous opportunities for growth through professional learning and collaboration.

At Co-op Academy Leeds, you will have the opportunity to make a real difference in the lives of young people by working here, helping them to discover and achieve their full potential. We invite you to be part of this journey, to inspire, support, and succeed alongside our students.
