Curriculum

At Co-op Academy Brownhill, we believe that all children can achieve and be successful. Our curriculum is designed to support every child in becoming a well-rounded, independent learner who is motivated and eager to tackle challenges. We have the highest expectations of both our pupils and staff, aiming for academic excellence while also developing the social and emotional skills necessary for future success.

We believe in experiential learning and encourage pupils to engage with hands-on projects, creative arts, and sports activities. Whether in the classroom or on the field, our curriculum aims to inspire a lifelong love of learning and personal growth. Our pastoral care team plays a crucial role in ensuring the well-being of every student. We recognise that each child is unique, and we are committed to supporting their emotional, social, and academic needs.

Values

Our academy is grounded in Co-op's values - self-help, equity, and social responsibility - promoting a caring, inclusive environment where respect and cooperation are key. Students and staff are encouraged to embody our Ways of Being in their everyday actions. These include; "Do What Matters Most," "Succeed Together," "Be Yourself Always," and "Show You Care."

Our shared values guide our approach to teaching, learning, and personal development, ensuring that every pupil feels included, supported, and motivated to succeed.

Facilities

Our learning spaces are welcoming and well-equipped with the latest technology to enhance interactive learning. In addition, we offer excellent outdoor spaces where children can explore, play, and participate in sports.

We also provide a wide range of extracurricular activities that give students the chance to develop new interests, practice leadership skills, and build teamwork. From after-school clubs to special events, our academy is a hub of creativity, physical activity, and community engagement.

Community

We pride ourselves on being a family-oriented academy, where staff, students, and parents work together. We understand that effective education is a partnership, and we actively encourage parents to engage with their child's learning journey. We regularly host events and meetings to keep families involved and informed, making Co-op Academy Brownhill a true community-focused school.

At Co-op Academy Brownhill, you will have the opportunity to make a real difference in the lives of young people by working here, helping them to discover and achieve their full potential. We invite you to be part of this journey, to inspire, support, and succeed alongside our students.
