Academies Trust

Welcome!

Dear Applicant

Thank you for showing an interest in our Trust.

We are a large Multi Academy Trust spanning the North and West Midlands of England. Our Trust includes a wide variety of schools, from small and large primary schools to secondary schools, a college, and special schools that offer all-through, primary, and secondary education. We are currently based in Leeds, Bradford, Kirklees, Staffordshire, Stoke, Wirral, Manchester, Oldham, and Salford, structured into four regional hubs.

We are focused on growing the Trust to ensure that all our schools are strong, reliable, and offer exceptional pupil experiences that positively impact our communities. It's the quality of our schools that matters, not the quantity.

We have the highest ambitions for the communities we serve. Our commitment to school-to-school collaboration drives continuous improvement across our schools. We are also dedicated to investing in our staff, with a strong CPD programme and succession planning that provides clear pathways for career progression.

We are looking for staff who are passionate about making a difference and transforming our communities through their daily work, embodying our "Ways of Being." These core values - Do What Matters Most, Succeed Together, Be Yourself Always, and Show You Care - are evident in everything we do.

What sets our Trust apart is our sponsorship by the Co-op Group. Co-op values are also embedded in how we work, and our close relationship with the Co-op means we benefit from the expertise that has made it one of the most respected and ethically driven businesses in the country. Since our founding in 2010 with just two academies, we have taken a pragmatic approach to growth, always working collaboratively to improve every academy in our Trust.

By providing a great education, we are changing the lives of young people. Grounded in cooperative principles, we empower both staff and students to work together for a better education and stronger communities.

We are proud of the rich diversity across our Trust, which strengthens our ability to make a real difference. We are committed to ensuring that each student receives an excellent, memorable school experience that prepares them for future success, while also instilling a strong sense of moral integrity and responsibility.

Thank you,
Dr Chris Tomlinson, CEO
