

Co-op Academy Belle Vue

In March 2020, Manchester City Council approved the building of a new school on Hyde Road to serve the local community, opening in September 2021. Co-op Academies Trust was awarded the academy because of their strong record of good schools in Manchester and the North West.

The academy started its life in brand new, custom-built accommodation on the site of Co-op Connell College, we moved into our state of the art academy building on Hyde Road in January 2023.

We named the academy, Co-op Academy Belle Vue. Not only does it directly serve the community around the academy, its history is one that generations of people remember as a core part of their childhood.

We unlock potential through expert knowledge and character, behaviour is exemplary and our classrooms thrive. Improving the lives of young people and their communities is at the heart of everything we do.

Community and Co-op Values

The academy is deeply rooted in Co-op's core values of fairness, equality, and social responsibility. These values shape the school's culture, curriculum, and student development. The school promotes active participation in the local community, encouraging students to engage in projects that foster a sense of responsibility and cooperation.

High Academic Standards

Belle Vue is dedicated to academic excellence, with high standards set across all subjects. The school has a robust support system that helps each student reach their potential. Teachers focus on personalised learning, ensuring that students receive the help they need to succeed. The school's leadership and teaching quality have been praised in Ofsted reports, contributing to its growing reputation as a top-performing, Outstanding academy.

Modern Learning Environment

The school offers an innovative and inspiring learning environment. With modern facilities and resources, including advanced technology and creative spaces, students are well-equipped to succeed in today's digital world.

Inclusive and Supportive Atmosphere

Belle Vue is known for its welcoming and inclusive environment. The school celebrates diversity and works to create a space where students of all backgrounds feel respected and supported.

Extracurricular Opportunities

The academy offers a rich array of extracurricular activities, including sports, arts, and community service projects. These experiences help students develop leadership skills, explore their interests, and build friendships, contributing to a well-rounded education. Students are encouraged to take part in these activities to grow personally and academically.

Student Well-being

The well-being of students is a top priority at Belle Vue. The school has a dedicated pastoral care team that supports students' mental and emotional health. Promoting a positive mindset and addressing individual needs, ensures that students feel safe, happy, and ready to learn.

Sustainability Initiatives

Belle Vue also embraces sustainability, participating in eco-friendly initiatives that align with the Co-op's commitment to environmental responsibility. These projects provide students with hands-on learning opportunities, helping them understand global environmental challenges and how they can make a positive impact.
