

Co-op Academy Nightingale

At Co-op Academy Nightingale, we are dedicated to providing a high-quality, inclusive education that allows every child to fulfil their potential. Nestled in the vibrant community of Harehills, Leeds, our academy is a place where pupils, staff, and families work together to create an inspiring, supportive environment.

We are proud of our strong sense of community and shared vision, ensuring that every child is valued and given the opportunity to succeed.

If you are passionate about making a difference in the lives of young learners and want to join a dynamic and inclusive team, Co-op Academy Nightingale is the perfect place to grow your career.

Curriculum

We deliver a broad, ambitious curriculum that is carefully designed to meet the needs of every child. Our curriculum not only supports academic success but also fosters the personal and social development of our pupils, preparing them to become compassionate and hard-working.

We emphasise local pride and a strong sense of belonging. Our curriculum encourages children to take pride in their identity and their community. Our teaching is tailored to reflect the diverse contexts and backgrounds of our students, ensuring that learning is relevant, inclusive and engaging.

Pupils are given exciting opportunities both inside and outside the classroom, broadening their horizons and encouraging them to thrive on challenges. Our goal is to ensure that each child develops the independence and resilience needed to succeed in life.

Values

Our academy is grounded in Co-op's values - self-help, equity, and social responsibility - promoting a caring, inclusive environment where respect and cooperation are key. Students and staff are encouraged to embody our Ways of Being in their everyday actions. These include; "Do What Matters Most," "Succeed Together," "Be Yourself Always," and "Show You Care."

These values are at the heart of everything we do, and they guide our approach to education and our interactions with students, staff, and the wider community.

Facilities

Our learning spaces are welcoming and well-equipped with the latest technology to enhance interactive learning, enabling teachers to deliver interactive and engaging lessons.

Beyond the classroom, we offer a wide range of extracurricular activities, including sports, arts, and music, which allow students to explore their interests and develop new skills.

We also have dedicated pastoral staff who ensure that every child feels safe, supported, and cared for. The wellbeing of our students is central to our mission, and we work hard to create a positive and nurturing environment where children can thrive.
