

Co-op Academy
Walkden

At Co-op Academy Walkden, we are committed to creating a dynamic, inclusive, and supportive learning environment where both students and staff can thrive.

As a proud member of Co-op Academies Trust, we uphold strong co-operative values and believe in the power of education to transform lives. Our dedicated staff team is central to delivering the very best experience for all our students, and we are always looking for passionate individuals to join our community and make a real impact.

Curriculum

Our curriculum is designed to inspire, challenge, and engage all students, providing them with the knowledge, skills and confidence they need to succeed. We offer a broad and balanced education that meets the needs of our diverse student body. Whether it's academic excellence in core subjects or creative exploration in the arts, technology, and physical education, our curriculum fosters both personal and academic growth.

You'll have the opportunity to contribute to this ambitious curriculum, working alongside a team of talented colleagues who are passionate about teaching. We are also dedicated to providing ongoing professional development to help staff innovate and continuously improve their practice.

Values

As a Co-op Academy, our values are at the heart of everything we do. Our 'Ways of Being' - "Do What Matters Most," "Succeed Together," "Be Yourself Always," and "Show You Care - guide us everyday.

Our culture is built on mutual respect, care, and high expectations. We strongly believe that nurturing students' personal development is just as important as academic achievement. Our experienced pastoral care team ensures that students feel emotionally and socially supported throughout their time at the academy.

Facilities and Opportunities

Our modern classrooms, specialist labs, and technology suites allow for innovative teaching opportunities, and our extensive sports facilities and creative spaces provide students with a well-rounded educational experience.

We also offer a wide range of extracurricular opportunities and participation in well-established programmes such as the Combined Cadet Force (CCF) and Duke of Edinburgh Award Scheme. These activities allow students to develop leadership, teamwork, and resilience - skills essential for their future success. As a staff member, you'll have the chance to contribute to these activities, supporting students in becoming well-rounded, confident individuals.

.....

You will have the opportunity to make a real difference in the lives of young people by working here, helping them to discover and achieve their full potential. We invite you to be part of this journey, to inspire, support, and succeed alongside our students.
