

Co-op Academy Woodlands

Co-op Academy Woodlands is dedicated to creating a positive, supportive, and inclusive environment for both our students and staff.

Our academy is built on three core values: Respect, Co-operate, Succeed. These values underpin everything we do, ensuring that each child has the opportunity to thrive and succeed in a safe, happy and engaging environment.

Working at Co-op Academy Woodlands means joining a team that believes in the limitless potential of its students. Educators here are not just teachers but mentors who recognise and nurture each student's unique talents and aspirations. As a member of our team, you will be an integral part of a caring and supportive learning community, where every student is seen and valued as an individual.

Curriculum

We offer an ambitious, broad and balanced curriculum that not only promotes academic success but also nurtures students’ moral and social development.

Our curriculum is designed to inspire creativity and curiosity while encouraging children to take risks in their learning and develop independence. With a focus on language, literature, and vocabulary, we prioritise the development of strong communication skills, recognising that many of our pupils speak multiple languages or are new to English. Through initiatives such as a Nursery Rhyme curriculum and vocabulary-rich teaching, we aim to build language proficiency at every stage.

We understand that every child is unique, and we strive to tailor our educational approach to meet the diverse needs of our learners. Our staff are trained to identify and address the needs of our students, ensuring that everyone has access to the resources necessary for success.

Values

Our academy is grounded in Co-op’s values - self-help, equity, and social responsibility - promoting a caring, inclusive environment where respect and cooperation are key. Students and staff are encouraged to embody our Ways of Being in their everyday actions. These include; “Do What Matters Most,” “Succeed Together,” “Be Yourself Always,” and “Show You Care.” Our shared values are visible in the everyday culture of the school, creating a strong sense of community.

Facilities

Co-op Academy Woodlands offers an excellent learning environment, equipped with modern facilities that support a wide range of learning experiences. Our classrooms provide a welcoming and stimulating space for pupils to engage with the curriculum, while our outdoor spaces offer opportunities for physical development and environmental learning. We ensure that every child feels safe, supported, and valued in our academy.

Community

We work closely with families and the wider community to ensure that every child is fully supported on their journey to success. Through initiatives such as our school council and pupil voice, we encourage our students to take an active role in decision-making and contribute to the development of the academy.

.....
As a member of the Co-op Academies Trust, Woodlands offers unique opportunities for professional growth and development. Our staff are part of a collaborative network that values shared learning and collective achievement.

By joining our team, you will work alongside passionate educators and you will have the opportunity to make a real difference in the lives of young people, helping them to discover and achieve their full potential. We invite you to be part of this journey, to inspire, support, and succeed alongside our students.
