

Co-op Academy Glebe

Welcome to Co-op Academy Glebe, where we are dedicated to providing a nurturing, inclusive, and enriching environment for every child to thrive.

We are proud of our academy's strengths in teaching quality, student behaviour, and the school environment. Our academy is a vibrant part of the community and we believe that strong links between school, families, and the wider community are essential to providing a richer and more meaningful education.

Curriculum

At Co-op Academy Glebe, we offer a dynamic and creative curriculum designed to foster curiosity and a love of learning in every child. Our approach is to ensure that learning is both inspiring and challenging, underpinned by the teaching of essential skills, concepts, and values.

We understand that every child learns differently, and our teaching approaches are tailored to meet individual needs. Our staff are trained to identify and address the needs of our students, ensuring that everyone has access to the resources necessary for success.

Our curriculum focuses on developing pupils' knowledge in core subjects like English and mathematics, while also offering broad opportunities in science, the arts, sports, and technology. We create an environment where children can explore their individual talents and interests, ensuring that they are well-prepared for future educational success.

Values

Our academy is grounded in Co-op's values - self-help, equity, and social responsibility - promoting a caring, inclusive environment where respect and cooperation are key. Students and staff are encouraged to embody our Ways of Being in their everyday actions. These include; "Do What Matters Most," "Succeed Together," "Be Yourself Always," and "Show You Care." Our shared values are visible in the everyday culture of the school, creating a strong sense of community.

Facilities

Co-op Academy Glebe offers a modern, well-resourced learning environment. Our classrooms are designed to encourage creativity and collaboration, equipped with the latest technology to enhance learning. We also provide access to outdoor learning areas, a well-stocked library, and spaces dedicated to arts and physical education.

We also provide a range of extracurricular opportunities, from sports clubs to music, drama, and enrichment activities. These experiences allow students to discover new talents, build teamwork skills, and contribute to the wider school community.

Community Engagement

Co-op Academy Glebe is deeply connected to the community, and we actively encourage strong partnerships between parents, carers, and the school. We believe that parental involvement plays a crucial role in a child's education, and we offer numerous opportunities for parents to engage with the school through events, classroom visits, and collaborative learning activities.

.....

At Co-op Academy Glebe, you will have the opportunity to make a real difference in the lives of young people by working here, helping them to discover and achieve their full potential. We invite you to be part of this journey, to inspire, support, and succeed alongside our students.
