

Co-op Academy
Beckfield

At Co-op Academy Beckfield! We are a vibrant and inclusive primary school, committed to inspiring our pupils to become confident, independent and engaged learners. Everything we do is to provide our children with the best start in life and encourage them to take pride in their achievements.

At Beckfield, we are passionate about providing every child with the skills they need to be successful. We believe that school life should give our children the ambition to be the best they can be.

Working at Co-op Academy Beckfield means joining a passionate team that believes in the limitless potential of its students. Staff here are not just teachers but mentors who recognise and nurture each student's unique talents and aspirations.

Curriculum

Our curriculum is designed to inspire curiosity, develop key skills, and foster a lifelong love of learning. We believe in providing a broad and balanced curriculum that not only focuses on academic achievement but also promotes personal growth, creativity and independence.

Our curriculum is designed to meet the needs of all learners. A strong pastoral system is in place to support students, whether through special educational needs (SEN) support or with their emotional and social well-being. This ensures that every student feels valued and receives the guidance they need to flourish in a safe and nurturing environment.

Values

Our academy is grounded in Co-op's values - self-help, equity, and social responsibility - promoting a caring, inclusive environment where respect and cooperation are key. Students and staff are encouraged to embody our Ways of Being in their everyday actions. These include; "Do What Matters Most," "Succeed Together," "Be Yourself Always," and "Show You Care." Our shared values are visible in the everyday culture of the school, creating a strong sense of community.

Our Facilities

Co-op Academy Beckfield boasts modern and well-equipped facilities designed to enhance the learning experience. Our classrooms are bright, spacious, and equipped with

the latest technology to support interactive learning. We have extensive outdoor areas that encourage physical activity, creativity, and exploration, allowing children to develop a love for both learning and play.

We offer a range of extracurricular activities and clubs that give pupils the opportunity to explore their interests and talents. From sports to arts and crafts, these activities help foster teamwork, resilience, and leadership skills in a fun and engaging way.

Community

We believe that education is a partnership between the school, families, and the wider community. We have established strong relationships with parents and carers, encouraging their involvement in school life and ensuring open communication. Our commitment to supporting children extends beyond the classroom, with staff dedicated to their personal well-being and development.

.....

At Co-op Academy Beckfield, you will have the opportunity to make a real difference in the lives of young people by working here, helping them to discover and achieve their full potential. We invite you to be part of this journey, to inspire, support, and succeed alongside our students.
