Our school is built on strong cooperative values, with a focus on fairness, equality, and social responsibility.

Our values help students think beyond academic success, promoting personal development, resilience, and a commitment to making a positive impact on their communities.

Community

Community involvement is at the heart of everything we do. Our pupil-led initiatives foster a sense of social responsibility and help to ensure they develop a sense of pride and engagement in their wider community. By connecting with our community we model to our pupils what it means to be an active and engaged citizen.
